

# BENEFITS

of Italian Dual Citizenship

## IS IT WORTH IT? YES!

### What are the perks of having dual citizenship in Italy?

**Italian Dual Citizenship** offers a wealth of benefits, but perhaps the most valuable is the freedom it provides to travel, work, and live in Italy and any of the 27 European Union countries! This benefit provides incredible opportunities for personal and professional growth, allowing you and your family to experience new cultures, work in diverse industries, and establish roots in some of the most vibrant and exciting cities in Italy or Europe. With Italian Dual Citizenship, you can unlock a world of possibilities and take advantage of everything Italy and the European Union have to offer.

Holding an Italian passport also allows you to automatically gift your Italian citizenship to your children under 18 years of age. This generational gift may be invaluable to your children, grandchildren, and other future descendants. Italian Citizenship will empower a deep sense of pride, cultural identity, and reconnection with your Italian Ancestors and heritage. Obtaining Italian citizenship and an Italian passport is an excellent investment for your future and that of your loved ones.

### **SIGNIFICANT BENEFITS INCLUDE:**

**Unrestricted Travel throughout the European Union.**

As of 2023, the Italian Passport was considered to be the 3rd strongest passport in the world. You can travel with unrestricted access to 27 nations in the European Union. This means that you can travel, visa-free, to over one hundred countries in Europe.

**Retiring in one of the most beautiful countries in the world, or anywhere in the European Union.**

We all know the never-ending beauty Italy and other European countries have to offer. Imagine retiring in your Italian city or small town of choice, somewhere along the Mediterranean or Adriatic seas, all while enjoying the great benefit of a much lower cost of living in retirement.

## **Generational Gift**

Having an Italian passport unlocks a valuable asset for your family, as it grants automatic Italian citizenship to children under 18 years of age, and potentially, to older children and future generations. This is particularly advantageous for families who wish to maintain strong ties to their Italian culture.

## **Healthcare & Education**

Having Italian citizenship can also open up education opportunities in Italy for you and your family. With access to Italian universities and schools, you and your family can immerse yourselves in the language and culture. You will also enjoy access to the Italian Healthcare system, a public healthcare system provided at a very low cost or even free, in some cases.

## **Employment Opportunities**

The acquisition of Italian Dual Citizenship presents a unique opportunity for both personal and professional growth, enabling individuals to broaden their horizons in new ways. Italian Dual Citizenship holders can unlock a host of possibilities and leverage the advantages of the European Union to advance their professional careers. By holding Italian Dual Citizenship, individuals can tap into the full range of benefits that come with EU membership. This includes the ability to work and travel freely within the EU, as well as access to a vast network of businesses, markets, and communities throughout Europe. By leveraging the advantages of Italian Dual Citizenship, individuals can gain a competitive edge in the global marketplace and position themselves for long-term success.

## **Real Estate Acquisition**

The process of purchasing a residential property in Italy is often more affordable and less complicated for citizens. Furthermore, potential first-time homebuyers in Italy may be eligible for tax discounts when acquiring their initial property. This may serve as an incentive for individuals interested in purchasing a home in the country and may facilitate the process of obtaining a residential property in Italy.
